

KZN Wildlife permit letter

We have had to remove our KZN Wildlife registration permit letter from our website due to fraudsters downloading the letter and modifying it for their own use.

We are registered with KZN wildlife here in South Africa and allowed to sell game skin and game by-products so, you can be assured that what we have on this website is legal.

You can contact the KZN Wildlife permit head office in KwaZulu Natal, South Africa where they will be able to confirm that we are registered with them should you still want confirmation that we are a legal company.

Their details are below
